Group Chief Financial Officer

Reliance Worldwide Corporation Limited (ASX: RWC) advises that, following a review, it will be reorganising the financial, strategic and corporate development activities encompassed by the current Group Chief Financial Officer role. RWC Group Chief Executive Officer, Heath Sharp, said: "Gerry has made a significant contribution to our strategy, risk management and overall business development since joining RWC in 2016. RWC will commence a search for a new Group Chief Financial Officer.
